HEAVEN MEDIA PRESENT THE ROCCAT SDMS CUP *Europe's finest Call of Duty 4 teams to battle for prizes worth €1,500*

1st December 2009 (Huntingdon, UK) – Heaven Media are pleased to announce a new partnership between esports tournament organiser Esports Heaven and gaming peripherals specialists ROCCAT.

To celebrate the launch of their new Smart Desktop Management System (SDMS) range of products, ROCCAT are offering a €250 prize fund, as well as hardware prizes worth a total of €1,295!

The ROCCAT SDMS CoD4 Cup will cater for a minimum of 32 teams of 5 players, and will take place over two weeks, commencing on Tuesday December 8th, seeing over 1,000 hours of gaming before a winner is crowned.

The five players who manage to take the first place will take away €250, as well as five full ROCCAT SDMS sets, featuring the ROCCAT Kova Pure Performance Gaming Mouse, the ROCCAT Sota Granular Gaming Mousepad, the ROCCAT Arvo Compact Gaming Keyboard and the ROCCAT Apuri USB-Hub with Mouse Bungee.

The runners up won't leave empty handed, receiving 5 ROCCAT Tusko Widescreen Monitor Bags, the perfect accessory for any LAN trip, and the bronze medallists will receive 5 ROCCAT Apuri Mouse Bungees, with built-in USB hub - for perfect desktop cable management!

Having launched in 2007, ROCCAT may be young but they have already found a huge and loyal fan base in the gaming community, who eagerly await every new product announcement from this company that has fast become a favourite within the esports scene as well, creating top quality peripherals for gamers who just won't compromise!

"ROCCAT certainly produce some of the most popular gaming products on the market, so it's great to have their support for Esports Heaven, and to be able to help launch their new ROCCAT SDMS range," said Adam Godfrey, Business Development Manager for Heaven Media. "The Call of Duty community is ever-growing, and offering a tournament of this scale will really showcase some fine European talent."

This ROCCAT SDMS CoD4 tournament will be fully covered by Cadred.org and TEK-9.org, two of Europe's most influential esports coverage sites.

About the ROCCAT SDMS

ROCCAT™ SDMS is a series of perfectly coordinated products characterized by pure performance combined with unique functionality and an ingenious, aggressively-angular and at the same time simple design. The basic idea behind the ROCCAT SDMS is to enable optimum use of desktop space to be made by means of a compact design while retaining the components' full functionality – and in doing so deliver the necessary freedom of movement that is critical for relaxed and focused gaming.

The SDMS comprises a total of four products: ROCCAT Arvo Compact Gaming Keyboard, ROCCAT Kova Pure Performance Gaming Mouse, ROCCAT Sota Granular Gaming Mousepad and ROCCAT Apuri USB-Hub with Mouse Bungee. Each of which is available separately. When they interact, the SDMS makes an unbeatable set – and it demonstrates its full strength.
