**HEAVEN MEDIA ANNOUNCES “GET KITTED OUT BY  
ALIENWARE AND TEAM DIGNITAS” WINNER**  
*Lee “HippY” Robinson wins an Alienware M15x laptop and more!*

**7<sup>th</sup> December 2009 (Huntingdon, UK)** – Heaven Media are pleased to announce the winner of the “Get Kitted Out by Alienware and Team Dignitas” competition, Lee “HippY” Robinson, who takes home a fantastic set of prizes, including an Alienware M15x Gaming Laptop.

The Alienware M15x gaming laptop features a 2.8GHz Intel Core 2 Extreme X9000 processor, as well as a stunning 512MB Nvidia GeForce 8800M GTX graphics card, which really comes into its own on the 15.4 inch display.

This monster of a machine by Alienware is one of the best laptops on the market, and is used by the very best UK team out there, Team Dignitas.

To fully kit him out, Lee also receives a set of Razer gaming peripherals as used by Team Dignitas, including the Razer Deathadder Re-Spawn mouse, featuring 3500dpi and 1000Hz Ultrapolling™ for ultimate gaming control, the Razer Sphex mousepad, which has been designed specifically to give perfect optical and laser tracking for gamers, the Razer Carcharias headset, offering superior gaming audio, clarity and bass, and the Razer Artosa keyboard, with Hyperresponse™ Technology and selective anti-ghosting features.

And, as if that wasn't enough, Lee has also won a Team Dignitas coat, hat, and an official Team Dignitas player shirt with his in-game name printed on the back!

“I was completely shocked and delighted to find out that I had won this competition. It was a unique and challenging event which I am thrilled at winning. The Alienware M15x is the perfect solution for any future LAN events I will attend, and just in time for Christmas!” said the champion. “I have been a big fan of Team Dignitas for a long time now, they're the UK's most respected team and it's great to win these great products that they endorse.”

Over 5,000 predictions went into the competition which saw Lee come out victorious with an impressive 103 points - it turns out that predicting scores is a lot tougher than you might think!
